

Hand washing only

Not for food, equipment or cloths

Only put up a sign that is true for your kitchen. If one sink does two jobs, clean and disinfect it between them.

Food washing only

Not for hands

Only put up a sign that is true for your kitchen. If one sink does two jobs, clean and disinfect it between them.

Equipment washing only

Not for hands

Only put up a sign that is true for your kitchen. If one sink does two jobs, clean and disinfect it between them.
